

New York 5 May 1868

Dear Elton

Having read  
C<sup>o</sup> letter & return  
it to your memorial.

I doubt if J. B.  
has had any further  
communication from  
the C<sup>o</sup> if he had he  
would have told  
me. I hope there  
will be no difficulty  
about the new deal

You will read of  
the war news. I  
think it looks  
well for us, but  
nothing decisive  
has yet happened  
but I believe in  
Hooker. The income  
of your \$1000. - is  
\$60. - but you  
can if you wish  
report yourself  
as owning \$1000 -

in the Atlantic Mutual  
Insurance Co. New York  
and as the companies  
pay the tax of course  
you have nothing  
to pay -

all are well

Yours truly  
Amos
